PROMESA Title III

(Jointly Administered)

**APPLICATION OF BGC PARTNERS ADVISORY LLC FOR ALLOWANCE OF
INTERIM COMPENSATION FOR SERVICES RENDERED AND REIMBURSEMENT
OF EXPENSES INCURRED AS RESTRUCTURING ADVISOR TO THE FINANCIAL
OVERSIGHT AND MANAGEMENT BOARD, FROM JUNE 2024-SEPTEMBER 2024**

BGC Partners Advisory LLC (“BGC”), restructuring advisor to The Financial Oversight and Management Board for Puerto Rico (“FOMB”), as representative of the Debtors pursuant to PROMESA section 315(b), submits this application for allowance of interim compensation for services rendered June 1, 2024-September 30, 2024 (“Compensation Period”) in the amount of \$3,400,000 and reimbursement of actual, necessary expenses incurred during such period in the amount of \$3,300, pursuant to PROMESA sections 316-17, Rule 2016 and P.R. LBR 2016-1. Exhibit 1 is BGC’s invoices from the Compensation Period. Exhibit 2 is its time detail. Exhibit 3 is the FRBP 2016 and LBR 2016-1(a)(4) certification.

JURISDICTION

1. The Court has subject matter jurisdiction to consider this application, pursuant to PROMESA section 306(a). Venue is proper in this district, under PROMESA section 307(a).

BACKGROUND

2. Pursuant to PROMESA section 315(b), the FOMB is the representative of each Debtor in its respective Title III case.

3. BGC was formed in January 2024 because of the decision of Citi Global Markets Inc., former investment banker and financial advisor to the FOMB, to exit the municipal finance market.

4. BGC's principals, David Brownstein, John Gavin and James Castiglioni, were all former Citi who together led its engagement herein from its commencement.

5. BGC was engaged under an [engagement letter](#) dated February 1, 2024, to provide restructuring advisory services described therein, because of its members' municipal restructuring experience and institutional knowledge.

6. BGC made its [PRRADA disclosure](#) April 15, 2024.

7. During the Compensation Period BGC provided the following-described services:

- Prepare for, analyze various items and participate in post-PREPA confirmation plan related items.
- Multiple meetings, drafting sessions and reviewing/analyzing documents among other items related to PREPA plan and PREPA mediation.
- Aid FOMB and its advisors on numerous requests regarding debt and historical information.
- Aid FOMB's claims reconciliation team with numerous problem CUSIPs.
- Aid FOMB staff on various press releases and talking points related to debt restructuring.
- Aid various FOMB advisors with debt related questions on the Commonwealth and its related entities.

In addition, in June, BGC reviewed analyzed and participated in discussions related to various fiscal plans (e.g. PRASA), Section 209 and market access related to Commonwealth and covered entities and Debt Recovery Authority.

BASIS FOR RELIEF REQUESTED

8. PROMESA section 316(a) provides that the Court "may award to a professional person employed by ... the [FOMB] (in [its] sole discretion) ... (1) reasonable compensation for

actual, necessary services rendered by the professional, or attorney and by any paraprofessional employed by any such person; and (2) reimbursement for actual, necessary expenses.”

9. Pursuant to subdivision (c):

In determining the amount of reasonable compensation to be awarded to a professional person, the court shall consider the nature, the extent, and the value of such services, taking into account all relevant factors, including—

- (1) the time spent on such services;
- (2) the rates charged for such services;
- (3) whether the services were necessary to the administration of, or beneficial at the time at which the service was rendered toward the completion of, a case under this chapter;
- (4) whether the services were performed within a reasonable amount of time commensurate with the complexity, importance, and nature of the problem, issue, or task addressed;
- (5) with respect to a professional person, whether the person is board certified or otherwise has demonstrated skill and experience in the restructuring field; and
- (6) whether the compensation is reasonable based on the customary compensation charged by comparably skilled practitioners in cases other than cases under this title or title 11, United States Code.

10. PROMESA section 317 and the interim compensation order permit professionals to apply for allowance of compensation and reimbursement of expenses on an interim basis.

11. Each factor set forth in section 316(c) supports the allowance of the compensation sought herein on an interim basis.

(a) Time spent on services rendered. BGC devoted considerable time to services provided on behalf of the FOMB during the Compensation Period, as is summarized on the prefixed summary sheet.

(b) Fees charged. Per the annexed certification the fees charged for this engagement are consistent with those customarily employed by BGC.

(c) Whether Services were necessary or beneficial. The services rendered were necessary to the administration of these Title III cases, and beneficial when rendered.

(d) Timeliness of services rendered. No issue has been raised concerning the timeliness of services rendered by BGC.

(e) Restructuring Experience. BGC has a wealth of municipal restructuring experience. As noted above, its principals led this engagement on behalf of Citi prior to its exiting the municipal securities market. It was well versed with complex issues facing the Debtors long before commencing this engagement.

12. BGC previously submitted monthly fee statements for the fees sought herein as to which no timely objection was interposed.

NO PRIOR REQUEST

13. No prior request for the relief sought herein has been made to the Court or to any other court.

WHEREFORE, BGC requests an order allowing interim compensation for services rendered during the Compensation Period in the amount of \$3,400,000 and reimbursement of expenses incurred during such period in the amount of \$3,300 and granting such other and further relief as the Court deems just and proper.
